

SUN VALLEY BANQUET EVENT POLICIES & INFORMATION

Food and Beverage

All food and beverage must be supplied by the Sun Valley Resort. The Resort is the only authorized licensee to sell and serve food, liquor, beer and wine on Sun Valley property. Due to health safety regulations, no leftover food or beverage can be taken from the premises. Food items cannot be transferred from one event to another.

Banquet Prices

Listed Food and Beverage prices are guaranteed 90 days prior to the date of the function. Prices can be guaranteed only after a Sun Valley Catering Contract has been signed and returned to the Sun Valley Catering Department. A 20% Service Charge and 6% state sales tax will be added to the final bill along with varying local sales taxes up to 3%. All buffet menus require a minimum guarantee and are offered for a maximum of two continuous hours. When menus are split between two entrées, the Resort will charge the higher price for all guests. Specific entrée counts will need to be given two weeks prior to the function and guaranteed counts for each entrée must be received 72 hours prior to the event. A place card or name badge with an easily identifiable system of differing guests' entrée selection must be used.

Guaranteed Count

We require your final guarantee of the exact guest count no later than 72 hours prior to your function. This is the number for which you will be financially obligated even if fewer than the guaranteed number of guests attend the function. Guarantees cannot be decreased after this time. Sun Valley will prepare for 3% over the count. If the group exceeds 3% over the guarantee anytime within the 72-hour period, a 10% surcharge will be added to the price of additional meals and menu items due to increased costs incurred by the resort.

Groups of 25 or Less

The minimum number of guests for banquet service is 25 people. If your group does not meet with minimum, your Catering Manager will work with you on choosing menu items for continental breakfasts and breaks charged on consumption versus per person. Full meal service is available at our many outstanding restaurants, you can agree also to pay the 25 person minimum for a catered meal (A labor service charge will be assessed).

Vegetarian & Special Diet Requirements

Sun Valley will do our best to accommodate special dietary requirements with advance notice. Please be certain that your Catering Manager is aware of any special needs a guest may have and is supplied with the name and seat location of the guest. Knowing a special diet need in advance allows the event service to run smoothly.

Meeting Rooms and Event Space

Meeting rooms and event space are assigned by the resort according to the contracted number of anticipated guests and space required. We reserve the right to reassign function space in the event the venue originally designated for such function becomes unavailable or inappropriate. Additional set up fees will apply if you require extensive meeting room set up or elaborate staging.

Decorations

All decorations, centerpieces, candles, etc. to be used within or on Sun Valley Resort properties must be approved by a Sun Valley Resort Catering Manager and in compliance with current Fire Code regulations. All candles must be enclosed in glass (i.e. hurricanes, votives or lanterns)—open flames are not permitted. Decorations that are difficult to clean up (glitter, sand and confetti) are not allowed. Decorations and other items may not be attached to any wall or door. Sun Valley Company furnishings and wall decorations may not be removed or relocated.

Security

Sun Valley Company does not assume responsibility for damage or loss of any merchandise or articles left in venues prior to, during, or following an event. The guest assumes responsibility for any and all damages incurred.

BANQUET BAR MENU

SUN VALLEY BAR MENU POLICIES AND GUIDELINES

Types of Parties

A cocktail party, dance or reception, whether a stand-alone event or accompanied by a dinner or other event, may be offered as either a “hosted” or “no-host” function. At hosted functions all drinks are paid for by a sponsor. At no-host functions drinks are paid for individually at the time of service. All drinks and wine by-the-glass are billed on a consumption basis. Wine by-the-bottle is sold only by the full bottle.

Any alcoholic beverage served on Sun Valley Company Property must be purchased from the Sun Valley Company, and opened and dispensed by Sun Valley Company bartenders and wait staff. Special permission must be obtained to bring wines and champagnes onto the property for an event and a corkage fee of \$25.00 per bottle will be charged. Please contact the Catering Department for more information. No other types of beverages may be brought to an event.

By law, our bartenders are required to verify that everyone consuming alcohol are over the age of 21. Proof of age may be requested.

Minimum Guarantee

There is a minimum guaranteed revenue, per single bar, of \$275.00 for every two service hours at both hosted and no-host functions. For additional single bars there is a minimum guarantee, per bar, of \$200.00 for every two service hours. The minimum guarantee for a double bar, a longer bar with two bartenders and a double set-up of beverages, is \$500.00 for every two service hours. Service hours do not include bar set-up or take-down.

If the minimum guaranteed revenue is not met for hosted parties, the individual or group hosting the event will be charged the minimum price, regardless of the amount of beverages consumed. If the minimum guaranteed revenue is not met for no-host parties, the individual or group who requested the party will be charged the minimum price, regardless of the amount of beverages consumed.

Bartender and Wait Staff Service

All Sun Valley bartenders and wait staff are experienced and fully qualified. One bartender can efficiently serve 75-100 guests. This figure should be used as a basis for planning. For hosted functions, additional bartenders are available for \$75.00 per hour and additional wait staff for \$40.00 per server per hour for a minimum of two hours.

Please add 20% service charge, plus current sales tax to all banquet menus and services. Prices subject to change.
