DRESS AND PERSONAL APPEARANCE STANDARDS

Sun Valley's commitment to quality and excellence is translated through its employees. Your dress and personal appearance is important to the image we present to our guests.

Male Employees

Hair must be clean and tapered at or above the collar line of a standard dress shirt. Hair should not cover the bottom half of the ear, and shoulder length is not permitted. Inappropriate examples include unnatural color and/or disproportionate cut. No beards or goatees will be worn; men must be clean-shaven every day. Sideburns should not extend below the earlobe. Mustaches are acceptable if trimmed and neat. Earrings or any body piercing are not to be worn while on duty.

Female Employees

Hair styles must be clean and not interfere with job duties. Inappropriate examples include unnatural color and/or disproportionate cut. Earrings and jewelry must be modest and not interfere with job duties. Earrings are allowed in ear lobes ONLY (no nose piercing, etc.). Cosmetics should be consistent with a natural appearance.

NOTE: Employees who handle food must wear hair pulled back and up.

Footwear

Tennis shoes are not permitted in high-profile areas (i.e., restaurants, bars, front desk, bell service, concierge, etc.) or as determined by department management. Some departments require certain shoes for safety reasons.

Personal Hygiene

Employees are expected to be neat and clean at all times. This includes clean fingernails, teeth and daily bathing.

Work Environment

Employees are required to keep a clean and orderly work environment. Before departure each day, employees are expected to clean their personal or assigned work areas.

Uniformed Employees

Many employees are required to wear Company-issued uniforms which should be kept clean and changed daily. These are cleaned or laundered at no cost to employees.

Name tags are part of the uniform and dress code and are to be worn at all times.

Laborers: Mountain Trail Crew, Maintenance, Mechanics, etc.

The clothing of employees who do not regularly meet the public and are not required to wear uniforms is to be governed by the requirement of safety and comfort, but should remain as neat as working conditions permit and/or as determined by department management. All other personal appearance standards apply.

Office Workers

Employees who are not required to wear uniforms are expected to dress in a manner that is normally acceptable in similar business establishments. Wearing suggestive attire, dungarees, shorts, tank tops and similar casual items is not permitted, as they do not present a business-like appearance.

CONSEQUENCES

Employee photo ID will not be issued unless personal appearance standards have been met.

Employees who fail to meet these standards may not be allowed to work. Corrective action may include leaving the premises. Any work time missed because of failure to comply with this policy will not be compensated. Violations of Company standards will be cause for disciplinary action up to and including termination.

All benefits are at the discretion of management and are subject to change without notice. Sun Valley Company is an at-will employer. Use of discipline is not intended to restrict the right of management to terminate employment at anytime for any reason.
