# SUN VALLEY

## Welcome to Sun Valley's SnowSports School

### Recess Is Now in Session

Because Sun Valley was America's very first ski resort, you could say we taught the whole country to fall in love with downhill sports. Now we'd like to pass that tradition onto you and your family. You'll be in good hands at our SnowSports School; here, skiers and snowboarders of all ages and levels can learn and improve their skills with patient, expert guidance and a "snow campus" that lives up to the Sun Valley legend.

### Helpful Hints

When skiing or riding, layering is recommended. Make sure to have a waterproof outer layer. For our children in camp, putting names on clothing is a great idea. Helmets not only protect but also provide warmth, and don't forget the sunscreen.
